

TEXAS LENDERS

Lyndon Thomas

Texas President

Lyndon is our Texas President and oversees the operation and lending in both our Keller and Saginaw, Texas, banking centers. Lyndon, a graduate of Midwestern State University in Wichita Falls, TX, has a wealth of experience and knowledge that makes him a true asset to ANB. While he makes all types of loans, his knowledge and understanding of commercial loans and SBA loans are top notch. Lyndon has the reputation of taking care of his customers—something any one of us would appreciate. When Lyndon isn't banking, you might find him climbing a mountain.

Nathan Thomas, VP

Nathan Thomas is a Commercial Lender/Loan Officer in Keller and Saginaw, Texas. He graduated from Dickson High School in Ardmore, Oklahoma, Evangel University in Springfield, Missouri, and Barrett Graduate School of Banking in Memphis, Tennessee. Nathan's education in the media/advertising/public relations/sports reporting arena and his years of managing one of ANB's busiest branches, makes him a well versed banker.
