COVID-19: Service at Our Banking Centers

For the health and safety of you, your family, and our employees, we will temporarily only provide drive-thru service at our banking center locations as a preventive measure to reduce the spread of the COVID-19, as per the social distancing guidance of the CDC.

Banking center drive-thru services will continue to be available. Banking center lobbies will be temporarily closed. Expect longer than normal wait times in the drive-thru lines. Most of our lobby services will be made available either by appointment or by our drive-thru for your convenience and health. Should you need to access your Safe Deposit Box, please schedule an appointment. You can also notify a banker in the drive-thru or call us to make an appointment. A Photo ID may be required before entrance is granted to the lobby.
